

eLearnVA

## Signing up is free! Just follow these easy steps:

### 1 Find out what you already know

You must have recent scores on the TABE, CASAS, Official Practice Test (OPT), or GED Tests to participate. Contact your local education center to schedule a time to take an assesment. To find a local program or see if your scores qualify you for our program, call 1-888-589-9003.

### 2 Get an email address

You will need a valid email account in order to receive information about eLearnVA and communicate with your online mentor. You should also have basic computer skills and feel comfortable sending and opening email messages.

### 3 Complete our online learning tutorial

Studying online isn't for everyone. To know what to expect from your online lessons and find out if online learning is right for you, complete the eLearnVA online learning tutorial at [www.elearnva.com](http://www.elearnva.com).

### 4 Register for online lessons at [www.elearnva.com](http://www.elearnva.com)
