Signing up is free! Just follow **these easy steps:**

**1 Find out what you already know**

You must have recent, valid scores on the TABE (Tests of Adult Basic Education) or CASAS (Comprehensive Adult Student Assessment Systems) in order to register. If you haven't taken the TABE or CASAS in the last six months, contact your local education center to schedule a time to take the test. To find a local program, call **1-888-589-9003**.

**2 Get an email address**

You will need an active email account in order to receive information about eLearn Virginia and communicate with your online mentor. You should be comfortable with basic computer use and with sending and opening email messages.

**3 Complete the eLearn VA Online Learning Tutorial**

While studying online is a great option for many adult students, it isn't for everyone. To know what to expect from your online lessons and find out if online learning is right for you, complete the eLearn VA online learning tutorial at [www.elearnva.com](http://www.elearnva.com).

**4 Register for online lessons at [www.elearnva.com](http://www.elearnva.com)!**
