**Creating a Language Experience Story – The Discussion**

Student: I had a lot of fun last weekend.

Tutor: Oh, really. What did you do?

Student: I went to the country to visit some friends, and we went to a farmer's market.

Tutor: Oh, wow, um. What did you see at the farmer's market?

Student: There were a lot of people selling fruits and vegetables in stands, like peppers.

Tutor: Great. Did you buy anything?

Student: Yeah, I bought some strawberries, but I ate them all on the way home. They're delicious.

Tutor: I love strawberries also. Um, so, you mentioned peppers earlier...

Student: Yeah, there are a lot of different colors and shapes and sizes of peppers. I'd like to learn how to grow peppers. Can you help me with that?

Tutor: Ah, absolutely. Um, that sounds great. Let's talk more about this next time.
