

1.7 Culture and Health Resources Online

Would you like to learn a little more about health views and practices of your learners' native cultures? These websites on culture, health, and resettlement might give you some new insights.

- [Cultural Diversity in Healthcare](#)
- [CulturedMed](#)
- [Cultural Orientation Resource Center](#)
- [Ethnomed](#)
- [Refugee Health Technical Assistance Center](#)
- [Refugee Health Information Network](#)

To see how cultural and language differences can get in the way of health care communication in the U.S., watch the Commonwealth Fund's *Worlds Apart* video clips:

- [Mohammad's Story](#)
- [Alicia's Story](#)
- [Justine's Story](#)
